Junshen Xu
Curriculum Vitae

PERSONAL DETAILS

Address	Massachusetts Institute of Technology, Cambridge, MA
Phone	(+86)17888830375
Homepage	https://daviddmc.github.io
Mail	junshen@mit.edu
	junshenxu1996@gmail.com

EDUCATION

PhD. Electrical Engineering & Computer Science　　2018.09-present
Massachusetts Institute of Technology

BSc. Engineering Physics　　2014.08-2018.07
Tsinghua University
GPA:95/100, Ranking:1/143

RESEARCH EXPERIENCE

Ultra-low-dose PET Reconstruction　　2017.06-2017.09
Stanford University
Predicted standard-dose PET images from low-dose PET images
Used deep learning and combined multi-contrast MRI

Segmentation of Left Atrial Appendage in CT　　2016.08-2017.06
Tsinghua University
Used active contour model for left atrial appendage segmentation
Improved the performance of left atrial appendage detection using random forest and Haar-like feature

Research on Attenuation Correction of PET/MRI　　2016.05-2016.11
Tsinghua University
Estimated attenuation map based on T2 and UTE MR images using machine learning methods
The research achievements were submitted to ISMRM 2017
Supported by Tsinghua University Initiative Scientific Research Program

Magnetic Resonance Imaging of the Fetal Brain　　2016.02-2016.09
Tsinghua University
Researched motion correction and 3D reconstruction of multi-slice fetal brain MR images
Set up a motion correction platform

Wearable PET　　2015.12-2016.05
Tsinghua University
Implemented a wearable PET device
Responsible for PET image reconstruction

Took part in Challenge Cup Competition of Science Achievement in Tsinghua and won Second Prize

Joint Reconstruction with Motion Correction in PET/MRI `2015.10-2016.11`
Tsinghua University

Researched joint reconstruction and motion correction of PET/MRI

Designed and implemented the algorithm

The research achievements were submitted to ISMRM 2017

SKILLS

Python, C/C++, Matlab, C#, JavaScript, LaTeX, Git

Medical Image Reconstruction, Machine Learning, Deep Learning, Mathematical Optimization, Digital Image Processing

SCHOLARSHIPS & AWARDS

2014—2015 National Scholarship

2015—2016 National Scholarship

2016—2017 Tsinghua-Evergrande Scholarship

2016—2017 Tsinghua-Boeing Scholarship

The 34th Challenge Cup Competition of Science Achievement in Tsinghua, Second Prize
